Cambridge – PSL Funding for International Research Projects

Cambridge Humanities Research Grant Scheme: Tier 3 – with PSL, Paris

The Cambridge Humanities Research Grants scheme (CHRG) supports research in the arts, humanities, and social sciences across the University of Cambridge. Under Tier 3, it supports mutual exchange with institutions within Paris Sciences & Lettres (PSL).

The scheme welcomes applications from any independent researcher holding a current contract of employment at the University of Cambridge at the point of application. All applicants are advised to liaise with their home Department of Faculty to confirm support before making an application. The CHRG will provide funding for exchange visits between Cambridge/Paris and other academics or students of between £1k and £10k. Awards will support the direct non-pay costs of organising conferences or seminars – costs for staff time, research assistance, or publication will not be considered. PSL has agreed to contribute 50% of awards approved by both Universities.

There are two open calls each year, with deadlines in the Michaelmas (autumn) and Lent terms (spring). The deadline for the current call is October 19, 2017. A cross-School panel will be convened comprising the Head of each of the two Schools, plus another senior academic from each School. Applications must be made by the Cambridge faculty member using the online system hosted by the School of Humanities and Social Sciences: https://webservices.admin.cam.ac.uk/ncbk/gabb/fp.cgi.
