A Special Event of the 3rd United Nations Conference on the Ocean  
Endorsed by the United Nations Decade of Ocean Science  
for Sustainable Development

## CALL FOR VOLUNTEERS

---

### One Ocean Science Congress Nice - 2 - 6 June 2025

CNRS and IFREMER have been tasked with organizing the One Ocean Science Congress (OOSC), a UNOC3 Special Event dedicated to Science, and to provide Heads of State, Government, and the broader society, with comprehensive scientific insights on the Ocean's health and future trajectory. Science-informed decisions should enable the conservation and sustainable use of the Ocean, optimize the solutions it offers, and safeguard the services and benefits it provides to humanity.

The Congress will feature a mix of plenary sessions, including opening and keynote speeches, alongside parallel oral and poster presentations. To enhance interactions between science and society, action and policy, and to engage civil society more broadly, 'townhalls' such as panels and roundtables will also be arranged.

This is a unique opportunity to engage with leading edge ocean research, interact with renowned researchers, and foster connections with fellow volunteers.
